

Family Matters

We have many MCA folk who are limited in their ability to be out and about this Christmas season. Many will miss being able to worship together here with their long-time friends.

Would you consider taking time to show special acts of kindness to some of these dear people? Some ideas are: send a card, make a phone call, take time for a short visit, drop off some Christmas goodies, take someone out for coffee or lunch, have someone over for dinner and an evening of conversation or games, or ???....you fill in the blank! Most of their names and phone numbers are in our church directory.

Also, if you know of anyone who should be included in this list, please call and inform either Lorna or Pastor Jan at the church office.

January 3, 2010

Happy New Year! Welcome to Mission Creek Alliance! This month our theme is Training for Life!

This is the time of year when people take stock of their lives, and start training regiments. They look for ways to improve their lives, to deal with possible excesses or omissions from the holiday season, and fulfill a desire for a healthier way of life.

We encourage you to pay attention to training for your Spiritual health – being on the path where God can transform you. Each Sunday we'll look at what it means to go Deeper with God and engage in spiritual training.

Pastor Terry will introduce us to the series with the message: The Path - Psalm 32:8 The LORD says, "I will guide you along the best pathway for your life.

Next Sunday Jesse Criss will speak on Training for Life Part 2, talking to God and His Word. We also return to our regular two service format next week.

Chorus sheets and children's bulletins are available from the ushers.

We offer two services for worship:

Join us at 9:30 am for our Praise and Celebration Service, with a bent toward more recent worship music, or at 11:00 am for our Classic Service. Enter wholeheartedly into the style of your choice!

This is the time of year when people take stock of their lives, and start training regiments. They look for ways to improve their lives, to deal with possible excesses or omissions from the holiday season, and fulfill a desire for a healthier way of life. Gym memberships soar in the month of January, financial helps are accessed more readily and ways to start good life habits are pursued with more diligence. This is also a good time to pay attention to training for our Spiritual health – being on the path where God can transform you.
